

Daddy gone away, Mama crying
Church of god Minister blames her
for what he did to her babe
While the Devil dances

I used to go on
Down to the church of god
In Cambridge Maryland
To Study about the good ole ways
Until I learn about the immoral things
Their preachers did to babes

Daddy gone away, Mama crying
Church of god Minister blames her
for what he did to her babe
While the Devil dances

Songs and prays of
Barry Wyatt Jr.
